### **NOTICE OF PUBLIC MEETING AND PUBLIC COMMENT**

The Department of Environmental Quality (DEQ), Virginia Department of Health (VDH) and the Department of Conservation and Recreation (DCR) seek written and oral comments from interested persons on the draft report for the Total Maximum Daily Load (TMDL) for fecal coliform bacteria in sixteen shellfish propagation waters located in Gloucester County and Mathews County, Virginia.

The impaired segments are located in VDH Growing Area 42 containing the North River, Green mansion Creek, Blackwater Creek, Elmington Creek and Back Creek, VDH Growing Area 43 containing the Ware River and Fox Mill Run, Growing Area 44 including the Severn River and several tributaries, Growing Area 45 including Monday Creek and Brown's Bay, and Growing Area 46, Sarah Creek and the Perrin River. All waters are tributaries to Mobjack Bay and Chesapeake Bay.

The affected water body segments are identified in Virginia's 1998 303(d) TMDL Priority List and Report as impaired due to violations of the State's water quality standard for fecal coliform bacteria in shellfish waters. Section 303(d) of the Clean Water Act and §62.1-44.19:7.C of the Code of Virginia, require DEQ to develop TMDLs for pollutants responsible for each impaired water contained in Virginia's 303(d) TMDL Priority List and Report.

This is the second and final public meeting, to provide information and solicit comments from citizens and local government on the draft report of the fecal coliform TMDL's study to be held on Jan. 5, 2006 from 6:30 to 9:30 p.m. at the Page Middle School, 5628 George Washington Memorial Highway, Gloucester, Virginia 23061. A copy of these reports can be obtained on the DEQ website at <http://www.deq.virginia.gov/programs/tmdl/> or the FTP site <http://www.deq.state.va.us/tmdl/tempdocs/>.

The public comment period will begin on Jan. 6, 2006, and end on February 3, 2006. Questions or information requests should be addressed to Chester Bigelow and should include the name, address, and

telephone number of the person submitting the comments.
